The Minutes are based on a 2,5 € Calling Card and are valid from calls from the fix or local network, charging units 60/60.../60. For calls from mobile network and from telephone booths an additional connection fee will be charged, or usage of the local number the regular connection fees of the mobile or fixnet provider have to be added. Administration- and connection fees are possible. Changes in tariff, charging or prices are reserved. Status: July 2014
