The minutes shown are for a 50NOK + 40NOK card using Local or Toll Free numbers and are based on a single use of the card. Rates are in euro per minute. For the calculation of call charges, the duration of a call will be rounded up to the nearest minute. A daily maintenance charge may be applied for this card; maintenance fees can vary from 0 - 80 euro. A post call fee may be levied and is dependent on the duration of the call; the call fee can be from 0% to 400% the cost of the call. A connection fee may be applicable for all calls made using this card. The connection fee levied is dependent on the destination called, the time at which the call is made, the length of the call and the access number used. The connection fee may be equivalent to zero to three minutes of talk time at the cents per minute rate for Rates and fees are applicable 24/7 and are correct as of 27 May 2011. Rates and billing conditions are subject to change without prior notice; this may be due to circumstances outside the control of IDT such as changes to wholesale rates charged by third party suppliers. Since the cost of calling (the access numbers may vary depending on the service used (e.g. land line, payphone or mobile phone)) IDT recommends that customers check the relevant charges with their mobile or other service provider before using this product. We are not responsible for difficulties experienced on your provider's network. As a matter of policy IDT will not intentionally disconnect any calls provided that there is credit available for the calls, however it may be possible that calls could get disconnected due to matters beyond IDT's control, e.g. force majeure, carrier fault, technology fault or human error. If you use this product, IDT may choose to inform you by telephone or other means of communication of telecommunications products or services related to such products, offered by this company or any affiliated company.
