The minutes are based on a 10€ Calling Card and are valid for calls from the fix or local network, charging units 60/60/.../60. For calls from mobile networks and from telephone booths an additional connection fee will be charged. For usage of the local number the regular connection fees of the fixnet and mobile providers have to be added. Administration fees are possible. Changes in tariff, charging or prices are reserved. Status: December 2010
